Indulge in our selection of Award-Winning Loose Tea, Novus

St Michael's Manor Signature

An English Breakfast and Assam-based blended black-leaf tea from India with a musky taste and frequently known as the “Champagne of Teas”.

Egyptian Mint

This Egyptian peppermint is menthol overload, its beautiful golden green liquor is just bursting with mint notes which are both strong and refreshing and burst onto your palate.

Decaf Ceylon

This Sri Lankan tea uses whole unbroken leaves, offering a delicate afternoon tea with subtle, crispy and refreshing flavours.

Sapphire Earl Grey

A widely popular black tea with a distinctive taste, resulting from a combination of high-quality Chinese tea and oil of bergamot, creates flowery and citrus flavours.

Persian Pomegranate

Pomegranate is a super fruit which is high in antioxidants, accounting for its recent popularity amongst the health conscious. This deep blood-red infusion is simply bursting with flavour. An eclectic caffeine-free blend of seven different ingredients, including large hibiscus shells, pomegranate and liquorice for a rounded sweet and fruity flavour.

Citrus Chamomile

Citrus Chamomile Tea is inspired by the early Greco-Roman period. This caffeine-free blend of chamomile is enhanced with the delightful flavour of lemongrass and lemon verbena. The result is a mellow citrus delight. The balance of the lemon and chamomile is what sets this infusion apart from the crowd.

Dragonwell Green

Dragonwell Green Tea is hand-fired in a Wok, making this artisan tea a real delight. You can see the freckles down the length of the leaf where it has been hand-fired. Our fermentation process draws out a wonderful nut aroma and a beautiful apricot finish. This green tea is light, fresh and sweet.

Wild Encounter

Wild Encounter Tea is a caffeine-free herbal blend that will reel your taste buds. One sip and you will encounter the sweet and tart sensations of fruit and berries.
